

FORM 2 GUIDELINE

1. This proposal shall contain a detailed description of the proposed project. As a suggestion, a complete proposal may range from 3 to 7 pages.
2. For **RST students**, fill out the personal details section only. Leave other sections blank. However, **PLEASE ATTACH THE HIGH-CONCEPT DOCUMENT WHEN SUBMITTING THIS PROPOSAL.**
3. Section guidelines :

PROJECT TITLE	Write the main title of the proposed project. If the project is a group work, please include the title of each individual module.
ABSTRACT	In not more than 150 words , summarise the proposed projects. The summary shall include the problem, the proposed solution, the technique/technology/approach used in developing the solution, and the expected outcome. Write the abstract in ONE (1) paragraph.
PROBLEM	Describe the problem that motivates this project. Show that the problem is valid, feasible and practical. The description must include supportive evidence/references, and citations (in APA 7.0 format).
SOLUTION	In bullet points or a set of short paragraphs, describe the solution that will be developed in this project , the service of the solution and how the solution can solve the problem mentioned in the previous section. After the description, list the critical functions of the solutions.
TARGET MARKET	Describe the targeted end users or stakeholders of the project. Explain their role and how they will use the completed solution. <i>[For a specific programme, students may be required to conduct a simple market study. Please refer to the supervisor.]</i>
COMPETITION / CONTRIBUTION	Explain the proposed project's differences, uniqueness and advantages compared to existing solutions. This section also requires a description of the proposed project's contribution towards the stakeholders, community and end users.
MILESTONE	Explain the development model (development track) or research methods (research track) used in this project. Write the project schedule (from the proposal until FYP2) – <i>in table format.</i>
REFERENCES	List the references in APA 7.0 format.

4. **REMOVE THIS PAGE** when submitting the completed proposal.
